At Excello Law we pride ourselves on our warm and friendly team culture. Our unique practice model provides a supportive and stimulating environment for you to achieve your goals. We offer a reward scheme based on a percentage of the actual fees that you generate. The opportunity to succeed professionally and financially is therefore in your hands.

If you are interested please visit our website at www.excellolaw.co.uk and send your C.V. to info@excellolaw.co.uk or satisfy your curiosity even further and join us at one of our Excello Law- “virtual law unplugged” events being run nationally. Here, you will get the chance to meet members of the team in confidence, and discuss the experience of working as part of a virtual legal team. Meetings are informal and are your chance to interview them, not the other way around.

The next ‘unplugged’ event will be held in Leeds on the 23rd November.
